

Do you have the best outdoor racks in the market?

We think we have the best outdoor racks in the market. Period. CERTECH's outdoor server cabinets and outdoor data racks have serviceable fans and filters, which ensures that regular maintenance can be performed. It is the END USER who now specifies CERTECH's outdoor network cabinets, to ensure the longevity of their sensitive equipment.

What types of outdoor server racks are available?

Our range includes outdoor waterproof wall mount server racks, IP66 rated outdoor server rack enclosures and freestanding outdoor data cabinets, with ventilation (IP45 rated) or without ventilation (IP65 rated). Browse through our range and discover a fabulous product, at a sensible price, delivered anywhere.

Are outdoor racks safe?

Our Outdoor Racks are built to withstand everything, from rain and snow to dust and hot sun. They're even tough enough to resist vandalism. Your sensitive electronic equipment will stay safe and continue to run reliably thanks to the cabinets' shock- and vibration-proofing and their efficient thermal management.
