

What is a panel Batten?

Packaged solutions conveniently categorised by application. Panel Battens combine the depth of battens with the coverage of cladding in a single, efficient profile. Ideal for garage doors, they create a seamless, textured finish with fewer components--reducing installation time while providing lightweight, full coverage.

What are Knotwood panel battens?

Distinct and refined, Knotwood panel battens form wood-look aluminium garage doors with seamless texture, BAL-40 compliance, and quick, 3-step installation.

Are KDM's outdoor Telecom cabinets IP65 rated?

IP65 is one of the ratings for KDM's outdoor telecom cabinets. Outdoor telecom cabinets are often rated with IP65 and up, or 4/4X and up. There are 3-4 main signs that are common on outdoor telecom enclosures, but there are also 3 different levels of warning that are used in conjunction with symbols.
