

What is a rotating earring organizer?

A rotating earring organizer that won't have you ~turning~ your jewelry box upside down as you try to untangle everything piled up inside. You won't have to worry too much about losing space since this comes with a total of 220 holes to display your earrings in.

What is a tiered earring organizer?

A tiered earring organizer with a drawer to add a touch of color to your space while keeping your earrings nice and separated. Now you don't have to put out an all points bulletin for a matching set every time you want to accessorize. Promising review: &quot;I love this earring rack. Very simple to put together. Looks great.

What is a macrame earring hanger?

1. A macrame earring hanger that's basically an organization marvel. There are few things we love more than functional decor! Josie Mahes Macrames is a small Iowa-based business that specializes in making handcrafted macrame jewelry holders,decor,and more. Promising review: &quot;I love this as a decoration,and also a way to organize my earrings.

What is a Cork earring holder?

A cork earring holder for reminding your guests how put-together you are, while providing a simple organizer to keep your precious valuables in one neat spot. Promising review: &quot;I LOVE this earring holder. I love that it's simple. I'm way too lazy to take the backs off and stick the earring in a hole then put the back, back on.
