Our Solar Battery Guide will help you size your battery bank properly and keep things running smoothly by ensuring a well-designed system that protects your batteries.

What is outdoor battery enclosure?

The outdoor battery enclosure is a housing, cabinet, or box that can be used outdoors and specifically designed to store or isolate the battery and all its accessories from the external environment. Outdoor battery enclosures keep your batteries safe from weather and safe from theft.

Why do you need an outdoor battery enclosure box?

Outdoor battery enclosures keep your batteries safe from weather and safe from theft. Outdoor battery enclosure boxes also feature locking mechanisms that protect unauthorized people against possible electrical dangers if they happen to be tampering with your equipment.
