

What is a battery storage box?

Battery storage boxes are an easy and convenient way of securing and storing batteries. They are sometimes referred to as battery cases or battery organisers. Battery storage boxes and cases are typically made from sturdy plastic and are shatter proof and drop proof.

How many batteries are in a glossyend battery storage box?

Check each product page for other buying options. Price and other details may vary based on product size and color. GlossyEnd Set of 4 - Two AA and Two AAA Battery Storage Box, Battery Storage Case Holder with Tester, Clear. Each Case Stores 48 Batteries

Why do you need a battery case?

Battery cases can also help to differentiate and organise fresh or new batteries and used or discharged batteries. This can be done by simply placing the batteries into the case with the terminals facing in different directions. They tend to be compact items and take up barely any additional space over the size of the batteries they contain.
