All our battery systems are a min of IP55 Rated and inverters are as high as IP67 rated meaning they are  
designed for outdoor locations. However, we also encourage client participation, or ...

Heavy batteries demand a solar battery box with extra strength and durability. In order to protect outdoor  
batteries from weather and damage, AZE manufactures custom NEMA 3R enclosures.

Yes - solar batteries can be installed outside in the UK, but only if they are housed in a suitable weatherproof  
enclosure and the installation meets safety and warranty requirements.
