Can you build a solar battery enclosure?

We can design, build, and integrate a complete system for your solar battery enclosure! Take the guesswork out of your solar system and let us put together the perfect solution for you. Ameresco Solar supplies and distributes a complete line of enclosures to accommodate a wide range of off-grid applications.

What is a solar battery box?

This product is perhaps more commonly called a "solar battery box" but is also referred to as a "pole mount battery box". Some battery boxes are large enough to be considered battery cabinets and are usually made from painted steel. Battery enclosures keep your batteries safe from weather and safe from theft.

What is a battery enclosure box?

Battery enclosure boxes also feature locking mechanisms that protect unauthorized people against possible electrical dangers if they happen to be tampering with your equipment. Our battery enclosures can be pole-mounted or ground-mounted and are suitable for indoor and outdoor applications.
