Does Eaton have a battery backup UPS system?

Keep registers,scanners,scales,receipt printers and kiosks up and running during a power outage with Eaton battery backup UPS systems. Choose from a wide selection.

Do self-serve kiosks need backup power supplies?

Self-serve kiosks also deserve backup power supplies. While kiosks are shown to give customers the feeling of more control over their order,the customer will lose control if a power outage disrupts their order-pay cycle. My continual challenge is power conditioning and protection.
