

What is a kiosk enclosure?

The kiosk enclosure is the heart of your self-service kiosk. It houses and provides a base for all functions. Self-service kiosk enclosures come in two main forms: Smaller screens such as 22 inch but also larger screens like 55 inch. Single sided and double sided. Olea Kiosks - custom kiosks and standard kiosks for all applications and verticals.

Does valid manufacture a lighting & power kiosk?

Valid manufactures a large selection of lighting and power kiosks and enclosures with completely customizable options. Our kiosks are compact and designed to enable ease-of-use in a single complete solution.

Are 'in ground' kiosks a merchandising unit or a kiosk enclosure?

We've never see "in ground" kiosks but Bard is likely confusing RMUs or remote merchandising units which are structural booths, not kiosks. A kiosk enclosure is the physical housing for a self-service kiosk. It typically consists of a frame, a display, and a mounting system.
