

Grey battery with OSHA colonial outdoor solar enclosure

Do heavy batteries need a solar battery box?

Heavy batteries demand a solar battery box with extra strength and durability. In order to protect outdoor batteries from weather and damage, Bison Profab manufactures custom NEMA 3R enclosures.

Are solar batteries safe for outdoor installations?

Outdoor installations make solar batteries more susceptible to theft and damage from the environment. To minimize the risk, it's essential to use locks, enclosures, and even security cameras to protect your battery from theft or vandalism. Outdoor solar batteries require regular maintenance.

What is a battery enclosure box?

Battery enclosure boxes also feature locking mechanisms that protect unauthorized people against possible electrical dangers if they happen to be tampering with your equipment. Our battery enclosures can be pole-mounted or ground-mounted and are suitable for indoor and outdoor applications.

What is a GRP battery enclosure?
