

Guillermo Santomá case pieces battery storage cabinet

Who is Guillermo Santomá?

Guillermo Santomá, a Barcelona-based artist and architect, is always one step ahead of anyone who attempts to place his work into one box. His practice traverses architecture, design, sculpture, and scenography, with each creation evolving from and knocking down the one before.

Who is Guillermo Santomá?

The designer introduced an architectural layer to the space, a space where the people could interact...or dance. Barcelona based Guillermo Santomá took Madrid by storm as he broke up the Baroque Museum Cerralbo with his elaborate contemporary designs.

What does Santomá do?

Since graduating with an MA in design, Santomá has worked in different formats, moving between design, architecture, sculpture and scenography. Santomá uses simple and primitive methods to alter familiar objects in a constant process of deformation, creating complete environments.

What is Santomá doing with Side Gallery?

Since the early days of his career Santomá has worked closely with Side Gallery, the inauguration of their relationship a solo show at the gallery's first location in Barcelona. The exhibition was composed of a range of glass and mirror furniture that pursued a game of transparency and reflection.
