

If you need to hang something heavy on metal studs, the process can be a bit more complicated than using traditional lumber studs. Here are the steps to follow to properly hang something heavy on ...

Hanging heavy pictures, shelves, or even a TV on a metal stud wall can feel like an impossible feat. Unlike traditional drywall, metal studs don't offer the same level of grip for standard ...

Look no further, as we've got you covered! In this article, we will walk you through 5 easy steps that will help you hang heavy items on a stud wall like a pro. Whether it's a large mirror, a ...

Commercial buildings and condos use metal studs, magnetic stud finders do a good job finding metal studs as well as metal nails used to mount the drywall on wood studs.

Mounts should be attached to wall studs with lag bolts and washers. This will ensure that the weight of your batteries doesn't pull out any important screws or nails from the wall, causing an ...

They are pieces of plywood or sheet metal precut for various stud spacings so they are no different than the way you want to do it, but they do have a cut sheet with weight ratings.

Hanging items in a metal building doesn't have to be daunting. Whether you're organizing tools, sprucing up the space, or maximizing storage, there's a method on this list for every need.

You had a good idea.. mounting the horizontal 2x6 and securing it to multiple studs. I woulda stuck a construction adhesive behind it like PL-premium because steel studs are weak.

I'm going to assume metal studs for this comment. Drill a pilot hole in the stud, drill a 1/2" hole through the stud, toggle bolt in stud, toggle screw with washer through the mount, bob's your uncle.

In this episode of Kanto Explains, we show you how to mount a TV on a steel stud wall. We teach you all the tools you need, how to drill into the steel studs...

We often say that heavy objects that need to be hung on the wall must be attached directly into a stud. When you have steel studs, this can require special blocking before the wall is built -- or special ...
