

What supplies are available with a double-door kiosk?

Our double and single-door kiosks are available with domestic supplies such as heating and lighting, plywood backboards for mounting your equipment and locking arrangements (tri-lock keys and night latches) to prevent vandalism.

What are high gloss kitchen doors?

High Gloss Kitchen Doors are often used to inject colour into a kitchen, as styles are not only available in classic white, cream and black combinations but also vibrant reds and purples. Your kitchen will definitely be the focal point with gloss kitchen doors! Buy high gloss kitchen cabinet doors online from Lark and Larks.

What sizes are available for MSK kiosks?

Choose from nine standard sizes including single, double, or triple door openings to best fit your application. MSK kiosks have a press-formed and welded mild steel construction and are supported by the appropriate certification to IP55 of BS5490 to give excellent weather protection and good earth continuity.

Are glass reinforced practice kiosks waterproof?

Our glass reinforced practice kiosks are IP55 water and dust-resistant for protection against dampness, humidity, and rain, and are available with steel, stainless steel and polycarbonate protective coatings for long-term indoor or outdoor installation. Bespoke units are available, please contact our sales department for more information.
