

Do all Dell racks have the same key set?

The fact that all Dell racks have the same key set is unacceptable to us and we need a way to physically secure the server beyond the current setup. I would appreciate any help you could provide me. Thank You Most Dell racks are made by RATTAL. You might try them or possibly a locksmith can easily change it. Thank you for responding.

What size aisle do I need for a rec rack?

1800mmaisle (shown for reference). Fitting instructions follow same process, but 1800mm wide aisles have wider side and roof panels. End of aisle kits should be ordered to suit either 1200mm or 1800mm wide aisles. Kit height will cover both 42U and 47U REC racks. Roof panels should be ordered separately .

Can a rack be used with non-compliant equipment?

Rack is intended to be used with equipment complying with IEC 60950. Use with non-compliant equipment may result in electrical hazard. **WARNING!** A grounding kit is supplied with REC Series enclosures. The installer is responsible for grounding the enclosure to the building electrical system.
