

What is a warehouse divider?

CPL Group's Warehouse Dividers are specifically designed to divide and organize warehouse space, allowing businesses in the logistics and warehousing industry to optimize their storage areas, improve operational flow, and meet industry standards for safety and efficiency.

Do you need a shelf divider for industrial shelving?

Keep your warehouse neat and organized by adding Lyon's steel shelf dividers to your Industrial Shelving! Use dividers to create dedicated bin spaces for products and parts. These dividers have been designed especially for Lyon's Updated 8000 Series and 2000 Series Shelving with 1-inch-wide divider spacing.

What is a divider box?

Dividable grid containers are the perfect storage solution for anyone looking to segregate and compartmentalize different items within a single container. With removable length and width dividers, divider boxes allow you to create many individual compartments inside each container, while ensuring they remain properly separated.

What are dividers used for?

Use dividers to create dedicated bin spaces for products and parts. These dividers have been designed especially for Lyon's Updated 8000 Series and 2000 Series Shelving with 1-inch-wide divider spacing. Lyon makes each divider out of 22-gauge steel for a lifetime of maximum durability!
