What makes our outdoor kiosk a good choice?

**Weatherproof Enclosures (IP Rated):** Our Outdoor Kiosks boast IP-rated enclosures, protecting internal components from rain, snow, dust, and extreme temperatures. **Vandal-Resistant Construction:** Built with heavy-duty materials and tamper-proof hardware, our Outdoor Kiosks are designed to deter vandalism and ensure long-term reliability.

What is an outdoor kiosk?

An outdoor kiosk is a durable, interactive terminal designed to withstand the elements and provide information, services, or entertainment in outdoor locations. They are built with weatherproof enclosures, sunlight-readable displays, and vandal-resistant features to ensure reliable operation in various conditions.

Are outdoor kiosks weatherproof?

Outdoor kiosks are built with weatherproof enclosures that meet specific Ingress Protection (IP) ratings. These ratings indicate the level of protection against dust, water, and other environmental factors. Advanced Kiosks' outdoor models are designed to withstand rain, snow, extreme temperatures, and even vandalism.

What are the different types of kiosks?

A large outdoor kiosk that demands your customers' attention, with 46" and 55" display options.
