

What is a NEMA battery enclosure?

DDB's NEMA battery enclosures are engineered for superior protection in harsh environments, ensuring durability and security for critical battery systems.

What is a battery enclosure box?

Battery enclosure boxes also feature locking mechanisms that protect unauthorized people against possible electrical dangers if they happen to be tampering with your equipment. Our battery enclosures can be pole-mounted or ground-mounted and are suitable for indoor and outdoor applications.

What are battery enclosures & cabinets?

Battery enclosures and cabinets are a safe way to store batteries and to protect them from the elements as well as providing a line of defense against theft.

Each outdoor battery enclosure can be fitted with off the shelf battery trays and painted with outdoor powder, secured by long handle doors and seal with a rubber-filled gasket.
