

Who is SPG international?

Founded in Drummondville, Canada in 1960, we remain a North American based tool storage manufacturer focused on building the highest quality tool storage products on the market today. The INTERNATIONAL brand is a wholly owned trademark of SPG International.

What types of products does SPG offer?

SPG provides storage & material handling products for: Foodservice, Convenience Stores, Grocery, Industrial, and Healthcare.

Why did SPG international join Geelong sales company?

In 2007 SPG International became part of the Geelong Sales Company, a major manufacturer of tool storage products in China, giving us manufacturing capability both in North America and Asia. This merger has greatly enhanced our ability to offer you a wider assortment of quality products, expanded services, and great price points.
