

Hello fellow Sneapsters! :D I'm happy to announce that I'm collaborating with The Metal Factory Studio in Madrid with a POD Farm preset bundle. As a lot of you may know already, I've ...

The Metal Factory Studios provides drum libraries **ONLY** and does not provide any serial numbers, products, or software related to Native Instruments or Kontakt. **ONLY NKI & NKM FILES IN THIS ...**

It includes our acclaimed Meinl, Sabian & Zildjian cymbal bundles. You will find chokes and crescendo effects as long as other articulations. Please be aware that all drum instruments provided by The ...

THIS IS A SET OF AUDIO FILES ONLY, THIS IS NOT A PHYSICAL CABINET. The Package is in .RAR format, so you will need WINRAR to extract its contents. This is an original product by Alex Cappa & ...

I'm kinda GASing for it since I'm working on a track currently and have a few days off from work to play around with it. So all the instruments have multiple velocity layers and round robin?
