Does Eaton have a battery backup UPS system?

Keep registers, scanners, scales, receipt printers and kiosks up and running during a power outage with Eaton battery backup UPS systems. Choose from a wide selection.

What is a kiosk enclosure?

The kiosk enclosure is the heart of your self-service kiosk. It houses and provides a base for all functions. Self-service kiosk enclosures come in two main forms: Smaller screens such as 22 inch but also larger screens like 55 inch. Single sided and double sided. Olea Kiosks - custom kiosks and standard kiosks for all applications and verticals.

Why do you need a mobile charging kiosk?

For your mobile or cell phone charging needs, it doesn't get more portable than our chargers. They are easy to set up and can be placed anywhere. Our kiosks are designed to keep up with the latest trends and offer a secure, reliable, and fast service.

Do self-serve kiosks need backup power supplies?

Self-serve kiosks also deserve backup power supplies. While kiosks are shown to give customers the feeling of more control over their order, the customer will lose control if a power outage disrupts their order-pay cycle. My continual challenge is power conditioning and protection.
