

Waterproof steels heavy duty battery storage Electrical Box

What types of outdoor battery enclosures are available?

AZE's heavy duty outdoor battery enclosures and Lithium battery storage system are available in NEMA 3R, or 4X configurations. These outdoor battery enclosures, which come in all shapes and sizes, are designed to withstand extreme elements, climates and environments.

What are waterproof electrical boxes?

Waterproof electrical boxes are available in polycarbonate plastic, aluminum, and steel varieties and are common in industries such as alternative energy, agriculture, oil and gas, food and beverage, marine, and more. We offer a variety of waterproof NEMA accessories to ensure final products maintain NEMA and IP ratings.

Why do you need an outdoor battery enclosure box?

Outdoor battery enclosures keep your batteries safe from weather and safe from theft. Outdoor battery enclosure boxes also feature locking mechanisms that protect unauthorized people against possible electrical dangers if they happen to be tampering with your equipment.

What is a waterproof enclosure?

Waterproof enclosures fulfill a wide range of purposes. They can guard sensitive electronic equipment, or they might serve as electrical outlet boxes or electrical junction boxes in harsh environments. Many are designed to work as either indoor or outdoor electrical boxes, with features that allow them to excel in either role.
